Special Theology Convocation Honours Two Distinguished International Figures

At a special Convocation on Thursday 26 April in St. Basil's church, Doctor Gerhart Riegner and Cardinal Johannes Willebrands were honoured by the University of St. Michael's College for their respective significant contributions to the continuing efforts of the International Jewish Community and the Roman Catholic Church to establish greater mutual understanding and to create an atmosphere congenial to productive dialogue between different religious faiths and denominations.

In his address to Convocation Doctor Riegner reflected on the extraordinary developments in Eastern Europe and their effects upon the Jewish Community. He spoke of the *de facto* restoration of the rights of Jews in Eastern European countries, but warned of the danger of emergent groups who, opposed to democracy, "defend extremist doctrines, (and) ... who propagate chauvinist, ultranationalist, racist and antisemitic theories." He traced the development of the post-World War II relations between the Jews and West

Germany, and pointed with hope to the recent solemn declaration of the East German Peoples' Chamber which recognized for the first time East Germany's share in the Nazi persecution of the Jewish people.

Doctor Riegner concluded his address with the reminder that we must

all remember the Holocaust and be watchful that what happened in the past will not be repeated.

The Convocation ceremony was followed by a reception in the Brennan Lounge in the Odette Centre for all attending.

Harold J. Murphy Honoured for Service to St. Michael's and Civic Community

The honour of University Fellow was established to recognize outstanding service and support of the University of St. Michael's College and the fostering of its traditions and ideals. At the Baccalaureate Mass on 13 June, St. Michael's Convocation day, that honour was bestowed upon Harold Murphy, a graduate of the class of 1949.

After graduation, Mr. Murphy completed law studies at Osgoode Hall.

The Young Alumni Group

By Pat Buckley 8T2 and
Maureen Hart 8T9

What is the "Young Alumni Group" you ask? We are SMC Alumni from the years 7T5 to the present who are interested in renewing (and helping others to renew) ties with the college. It was felt that there was a need for greater social involvement to help Young Alumni keep in touch with the college and with each other. However, participation in the activities we plan is *not* limited to these years only. If any of the events or services arranged by the Young Alumni Group appeal to you, by all means join us we welcome both your participation and your ideas!

8T9 pre-game Hot Doggers Sarah Cheetham, Paula Smith, Dawn Duquenay.

We have been quite busy during our first year of existence. Annual Alumni events such as the Orientation BBQ, Homecoming and the Alumni Theatre Night were attended by a number of Young Alumni. As well, the Young Alumni Group organized two very successful events; the "Reading Week Revisited Pub" in February and a Blue Jays Baseball Game excursion in April. The pub and the game attracted many alumni from as far back as 1938 to as recent as 1990 (even before they convo-

cated)!! Both of these events will be held again this coming year. The pub will be held Saturday, February 16, 1991 at 8:30 P.M. and the game will be in mid-April of '91. Keep an eye on future newsletters for more details!

The next upcoming event is the Orientation BBQ to be held on Thursday, September 6 at 7:00 P.M. on Orientation Field. If you are interested in helping us cook, eat hot dogs and give the FROSH a warm alumni welcome, call the Alumni Office at 926-

7260.

Fall Homecoming will take place October 12-14. Remember, Friday evening is for all years. The Annual Alumni Family Advent Mass will be on Saturday, December 15 at 4:30 P.M. in Charbonnel Lounge. A reception will follow—please bring Christmas cakes or cookies.

There are other events "in the works," such as an evening of discussion on "Futures and Finances", so keep your ear close to the SMC grape vine for more details!

If you have not heard from St. Michael's lately, or know someone who has not, it could be due to incorrect address information. Please fill out the

change-of-address form on the back of this issue and send it in. If you would like to be involved in the planning and organizing of these events call the office to find out the time and place of our next meeting.

St. Mike's has been and always will be a "happenin' place," but nothing could happen without you—the alumni. Come on back, relive old memories, or better yet—make some new ones! See you soon at a Young Alumni event!!

Six St. Michael's Alumni Receive Arbor Awards

The Arbor Award was established by the University of Toronto to recognize alumni who have demonstrated their commitment to the University by long and faithful volunteer service. At a reception on 17 May at the home of U of T President George Connell, Bill Broadhurst 5T1, Ewa Jarmicka 5T7, Clara Lyons 2T8, Father Frank Mallon, C.S.B. 2T9, Eleanor Monaghan 5T4, and Paul O'Neill 3T9 were honoured with the Arbor Award for their outstanding volunteer service to the University and St. Michael's. Their service to the College and the University has continued for many years, and the aggregate time of that service amounts to several decades. The St. Michael's Alumni Association and Alumni Office, the Senior U of T Alumni, the University of Toronto Alumni Association and its Montreal Branch, the central administration of the University and the College, and other elements in the University have benefited by their talents and time. And where would our alumni records be or what would our Newsletter be like without Father Mallon's continued assistance with information and his camera?

St. Michael's is happy to join the University in acknowledging with gratitude the volunteer service of this year's Arbor Award winners from St. Michael's.

Search Committee for New Principal

Principal William Dunphy 4T8 will complete his second term as Principal of St. Michael's College on 30 June 1991. A Search Committee for a new Principal was struck in April and completed the review phase of its work in early July with the circulation of its Review Report. The Committee will begin the search phase of its work on 1 September. The deadline for applications and nominations for the position of Principal is 1 October. Members of the Committee are: President R. Alway (non-voting Chair), Professors B. Brown, J. Kuhn, R. Madden, C.S.B., R. Marshall, D. Moggridge (representing the Dean of Arts and Science), M. O'Neill-Karch, J. Webster, and Mr. J. Hayes, student representative.

Capacity Audience Hears Cardinal Johannes Willebrands Deliver President's Lecture

The audience that filled the Assembly Hall in Odette Centre the evening of 26 April were treated to a masterly lecture by Cardinal Johannes Willebrands entitled "The Place of Theology in the Ecumenical Movement: its Contribution and its Limits."

The stature and accomplishments of Cardinal Willebrands in the ecumenical movement and in world religious affairs were formally recognized by St. Michael's earlier in the day when he, with Doctor Gerhart Riegner, received an honorary doctorate at a special Convocation. Cardinal Willebrands's deeply thoughtful and comprehensive lecture emphasized the importance of Theology in shaping and refining the movement toward reconciliation between the various Christian confessions. He carefully and emphatically made clear the place of the bishop and the relationship which must of necessity exist between the "two chairs" in the Church—that of the theologian as teacher, and that of the bishop as pastor.

The lecture will be made available in its full text from the Office of the President, University of St. Michael's College. Inquiries should be made to the office at (416) 926-7138.

Varsity Fund Becomes Annual Fund

“What’s in a Name?”

Those who have already received appeals by letter or phone for the 1990-91 “Annual Fund”, and those who have yet to receive such appeals, may wonder if this is a new fund. **It is not; it is the new name for the Varsity Fund, the annual fundraising campaign conducted by St. Michael's and other University of Toronto constituencies since 1961.**

The change in name from “Varsity Fund” to “Annual Fund” is not just a tampering with terminology, or change for change’s sake. The term “Varsity”, for all its rich meaning for many University of Toronto alumni, has not the same associations and connotations for graduates and students of recent decades. Also, the name *Annual Fund* makes clearer that, apart from any major one-time capital campaigns such as our current Capital Campaign, there is a *yearly* appeal to alumni and friends for the funds necessary to help preserve and develop St. Michael's tradition of academic excellence. As you know, your donation to this yearly campaign contributes significantly to the distinctive educational experience offered by St. Michael's. It provides the Kelly Library with the new books needed in today's courses; it provides scholarships and bursaries for today's outstanding or needy students; it funds instruction in St. Michael's unique and highly regarded academic programmes in Christianity and Culture and in Celtic Studies; as well it provides instruction in our Philosophy programmes, in our Computer Centre and in our Writing Lab. The Annual Fund also supports the College Chaplaincy and many of the spiritual, academic, cultural, and athletic programmes and events which make St. Michael's distinctive on the University campus and in all of Canada.

From the beginning of the annual giving programme, St. Michael's has been a leader among the constituencies of the University of Toronto. Although we fell short of last year's \$550,000 goal, our record in annual giving is an enviable one. In each of the last three years, for example, the gifts of the alumni and friends of the College have exceeded one half million dollars; dur-

ing two of those years we have also been conducting a successful capital campaign.

After consultation with the College Administration, the Board of Directors of the St. Michael's Alumni Association has set a goal for the 1990-91 Annual Fund of **\$600,000**. Ambitious? Yes, indeed. Realistic? Most definitely! Without a successful 1990-91 Annual Fund the College simply will not be able to meet the demands of increasing enrolment and rising costs, or counter, to any significant degree, the effects of decreasing government support. The Alumni Board has faith in the generous loyalty of the alumni and friends of St. Michael's.

All are aware that the times call for careful budgeting and sound investment. The College's budgeting process has never been stricter than at present. The investment in St. Michael's by earlier generations has resulted in great dividends to us all. More than ever the quality of the educational experience of today's youth—society's tomorrow—depends on the investment we make now. We must continue to support the distinctive projects, programmes and activities outlined above.

What's in a name? In the name “Varsity Fund” is a history of generous and loyal support of St. Michael's by its alumni and friends—and that has meant a history of excellence in Cath-

olic education. In the name “Annual Fund” is the preservation and the continued development of a tradition in Catholic higher education of which you and today's students can be proud. Your gift to the 1990-91 Annual Fund, like the gifts of earlier generations, will bring valuable dividends to our society. **St. Michael's is a good investment!**

As some of you are aware, the 1990-91 Annual Fund drive has begun. “Thank you” to the many who have responded thus far to this year's appeal. To those who have not yet responded, and to those yet to be contacted, please be as generous as you can.

The Alumni Board, in conjunction with the University of Toronto, has established recognition clubs to acknowledge the generosity of alumni and friends. Beginning with the 1990-91 Annual Fund gifts will be recognized in the following ways:

\$1.00-99.00 Donor: a letter of thanks will be sent.

\$100.00-149.00 Double Blue Society: the above and membership published in the St. Michael's Newsletter if desired.

\$250.00-499.00 St. Michael's Society: the above and the opportunity to obtain Kelly Library card.

\$500.00-999.00 Taddle Creek Society: the above, invitation to special College events, St. Michael's Staff Bulletin if desired, U of T Taddle Creek Reception

President's Committee, Member: the above and U of T President's reception, honorary membership in Faculty Club, U of T Bulletin, if desired.

Presidents' Committee, Patron: the above and U of T President's dinner.

Presidents' Committee, Benefactor: the above and U of T President's dinner.

Thank you all for your support in the past. You have made a difference.

Annual Alumni Advent Mass, Saturday 15 December

For the past three years, St. Michael's alumni, and their families, have stepped aside from the hustle and bustle of the secular preparation for Christmas to reflect on the meaning of Advent and of the great feast for which we are preparing, and to celebrate Mass together.

This year the annual Advent Alumni Mass will be on Saturday 15 December in Charbonnel Lounge. All are welcome.

Convocation 9T0

By Susan FitzPatrick 9T0

June 13 was a grand day at St. Michael's College as the class of 9T0 (triskaidekaphobics included) gathered together for the Baccalaureate Mass and Convocation ceremony. Cameras were flashing, smiles were beaming, and hands were shaking as parents, friends, and faculty mingled among the graduands in Brennan Hall following Mass. At the Baccalaureate Mass Mr. Harold Murphy 4T9 was invested as an Honourary Fellow of St. Michael's in recognition of his years of faithful and valuable service to the College and our society. Professor Flahiff later addressed the class of 9T0 in Convocation Hall, eloquently defending the often-thought tedious tradition of recognizing each graduand individually. Receptions were plentiful that day as graduates and company "reception-hopped" from Hart House to Brennan for the awards assembly in the late afternoon. It was certainly a happy day for the graduates of 9T0—an appropriate conclusion to a happy stay at St. Michael's.

GUSTAVO GUTIERREZ TO GIVE KELLY THEOLOGY LECTURE

19 MARCH 1991

As this issue was going to the printer, preliminary notice was received from Father Michael Fahey, S.J., Dean of the Faculty of Theology, that this year's Kelly Theology Lecture will be given by Gustavo Gutierrez, whose seminal contribution to liberation theology has been recognized and appreciated throughout the world. The Lecture will be on 19 March 1991 at 8:00 P.M. Further details will appear in the spring issue of the Newsletter.

Judge Joe James New SMC Alumni President

At its Annual General Meeting of 7 May 1990, the St. Michael's Alumni Association elected a new Board of Directors. Judge Joe James 6T7, Family Court Judge and former Chairman of the Board of Toronto Covenant House, is the new President. Joining Judge James on the Executive are Marcella Sorbara Tanzola 6T5, Vice-President, Patricia Buckley 8T2, Treasurer-Secretary, and Chris Driscoll 7T6, Past-President. The other Board Members are: John Brown 7T8, Gloria Buckley 4T8, Paul Carson 6T7, Caroline Di-Giovanni 7T0, Terri Farkas 7T3, Cathy MacDonald 7T7, Ann Marshall

5T4, Maureen McGrann 8T0, James Milway 7T3, Stephen Monte 9T0, Carla Sterling 8T9 and Joanne Turner 5T6. Student Representatives are: Rosemary Rizzo and Michael Patullo.

Appreciation and gratitude were expressed to Chris Driscoll 7T6 for his dedication, generosity and leadership during his two terms as President of the Association. His administrative skills and faith in the St. Michael's alumni resulted in the development of the Board's committee structure and in the remarkable increase in the Annual Fund contributions. The Meeting also expressed gratitude to retiring

Board Members Diva Frosell Anderson 5T8, Cathie Massel Brayley 7T9, Rob Collins 6T5, Jane Heenan Grant 7T1, Carol Codarini Hodson 6T9, Diane Karnay 8T1, Scott McNally 8T2, Murray Mogan 5T3, Maureen McCool Pappin 6T8, Bill Reid 7T8, and Maureen Kelly Sheedy 6T0.

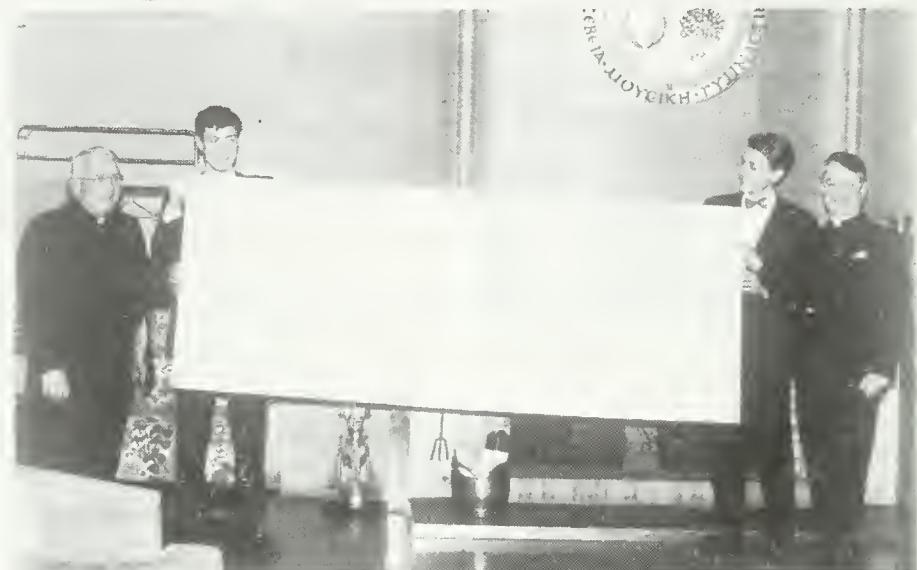

A special note of thanks must go to Carol Hodson, Jane Grant and Maureen Pappin for their many years of service to the work of the Alumni Association; they and the other retiring members of the Board will be sorely missed.

Class of 9T0 Pledges Record Sum for Graduating Student Gift

The U of T Graduating Student Gift programme began in 1987. Under the leadership of students, the programme is intended to encourage members of the graduating class to make a financial pledge in support of a student chosen project for their College, Faculty or School.

The leadership of St. Michael's co-chairmen Dino Marcantonio and Mark Osbaldeston and the generous cooperation of the class of 1990 resulted in pledges of over \$20,000, more than the three previous years combined; an amount that placed St. Mike's in a leadership role again.

The students have chosen to contribute to the landscape plan of the campus by providing several teak benches. Some of the benches are already in place, adding to the beauty and community atmosphere of the College campus.

12-14 October Homecoming 9T0 Bigger? Better? We think so, but it is up to you!

In response to suggestions and requests from alumni, the Board of Directors of the St. Michael's Alumni Association has made a major change in the fall Homecoming Reunion arrangements. What is it?

As well as honouring the five, ten, fifteen and twenty year graduates, **the College is inviting the graduates of the year on either side of the honoured years to the Homecoming weekend events.** Alumni are well aware, and have pointed out to Board members, that the three and four year degree programme structure of the U of T often results in graduates of a certain year having close friends in the year behind or ahead of them whom they would like to see and who would like to see them at reunion time. So, you graduates of **6T9, 7T1, 7T4, 7T6, 7T9, 8T1, 8T4 and 8T6** are receiving invitations to join the honoured years 7T0, 7T5, 8T0, and 8T5 to come back to St. Michael's and join in the activities of Homecoming 9T0. And there

will be lots of activities in which to join!

First of all, there is the **FRIDAY NIGHT ALL ALUMNI** Student Pub Dance in the Coop with a cash bar and complimentary buffet reception in Brennan Lounge—and we do mean **ALL** alumni. At Noon on Saturday there will be the annual alumni-student Boozer Brown Memorial football game and complimentary hot dog lunch; alumni and families welcome. Also on Saturday at 2:00 P.M. and 4:00 P.M. in the St. Michael's Theatre in Alumni Hall there will be free admission performances of the winning submission from the second annual St. Michael's undergraduate one-act play writing contest.

Saturday evening a 6:30 P.M. cash bar reception in Brennan Lounge will be followed by dinner at 7:30 P.M. in the Assembly Hall, Brennan Hall for the honoured and invited years. The reception resumes in Brennan Lounge after dinner. All alumni and families are invited to join with the students

and faculty in celebrating the annual Homecoming Reunion Mass on Sunday morning at 11:00 A.M. in the Assembly Hall.

To help cover the costs of these events, there is a registration fee of \$15.00 per person. A good deal! Send in your reservations now.

And remember, Saturday 13 October is also U of T Day, a University-wide open house featuring special displays, exhibitions, tours and refreshments. Also on Saturday, from 4:00-6:00 P.M., the U of T Alumni Association will host a big-tent reception on the front campus for the honoured years 7T0, 7T5, 8T0, and 8T5. A full schedule of U of T Day events will be available at the Friday night All Alumni Reception in Brennan Lounge.

**WILL HOMECOMING 9T0 BE
BIGGER AND BETTER?
WE HOPE SO.
BUT IT'S UP TO YOU.**

Campus Notes

• St. Michael's hosted a lunch-time reception 18 April for Cardinal Basil Hume, Archbishop of Westminster. The Most Reverend Aloysius Ambrozic, Archbishop of Toronto, and the Most Reverend Michael Peers, Primate of the Anglican Church of Canada, were among the guests. Cardinal Hume was in Toronto to address the annual meeting of the National Catholic Educational Association.

• Darryl Cruz, graduating student in the Faculty of Law and don in residence, was chosen the Best Oralist at the Jessup World Moot Court held in Washington, D.C. in March.

• The Collegium has formally approved a new Alcohol Code and has included it in the recently revised St. Michael's Code of Conduct.

• Classics Professor Anna Maria Dabrowski has retired after a teaching career at St. Michael's that extends over the past twenty-five years. She will be missed by faculty, staff, and students.

• Campus security continues to be improved with an eye to aesthetics as the lighting on Elmsley Place has been increased, the walks in the quad have been resurfaced, and a new north-south walk on the east side of the quad has been created to provide a direct, well-lighted approach to Brennan Hall and Elmsley Hall from St. Joseph Street. Teak benches, the gift of students, staff and faculty to honour Fr. McConica's presidency, are being placed in the Quad to take advantage of the new lighting, walks and recently planted trees.

• The Campus was the site of the international meeting of the John Howard Society in May.

• From 19-21 June St. Michael's was the centre for "CATO—150 Years", an historical conference marking the one-hundred-and-fifty-year history of the Archdiocese of Toronto. Speakers from Ireland, the United States and Canada addressed the sessions. Father Brian Hogan, C.S.B., Professor of History in St. Michael's Faculty of Theology, presented one of the papers and was a coordinator of the conference.

• At the spring U of T Athletic Banquet St. Michael's student Greg Bidinosti received a Silver T award for outstanding athletic performance. Greg was captain of the 1989 Blues Water Polo Team and has competed as a member of the Canadian National "A" Team at the PanAm Games, FISU Games, and World Aquatic Championships.

Games in New Zealand. Jeff, who comes from Brampton and is the grandson of grandson of Rita and Rory Egan 3T8, added to his successes when he won the 800 metre race in the World Disabled Games in the Netherlands last July. Earlier that month Jeff won the 100m, 800m, and 1500m events at the Ontario Games for the Disabled. This impressive performance makes him an early favourite for the 1992

Paralympics in Barcelona.

• Movie-goers and TV watchers who occasionally think that the scene on the screen or tube reminds them of St. Mike's are quite possibly right. The College has in recent years been chosen for the setting of several film productions. The college campus scenes for this summer's Marlon Brando-Matthew Broderick movie *The Freshman* should look very familiar to you.

A Special Tree Grows in the Quad

The Board of Directors hosted a reception in Charbonnel Lounge on 12 June to honour Father James McConica on the completion of his term as President of St. Michael's. Among the more than two hundred guests in attendance were Cardinal Gerald Emmett Carter and Archbishop Aloisius Ambrozic. Cathie Massel Brayley 7T9, retiring Vice-President of the St. Michael's Alumni Association, and Harold Murphy 4T9, Vice President of the St. Michael's College Foundation, expressed the appreciation of the alumni for Father McConica's years as President and presented him with a personalized copy of the new Alumni Directory and a toy tree, symbol of the silver pear tree now planted in the Quad to commemorate his presidency.

After the reception Father McConica was guest of honour at the annual Alumni Board Dinner in the College Faculty Dining Room.

The Class of 1940 grads came from Italy, while others from across North America came to attend. Activities began with the Friday night Alumni reception in Bishop Odette Centre, and continued Saturday with the Mass of Thanksgiving, the U of T President's Reception, a dinner party, campus tours and ended with St. Michael's evening of music in the Canada Room.

The weekend concluded with a Reunion Mass in the Chapel of the Immaculate Conception at which Father John McNamee, 4T5 was the homilist. About 200 alumni, family and friends attended the Mass and enjoyed a complimentary brunch in the Canada Room.

First Alumni-Student Social Justice Bursaries Awarded

By Bill Moreau, Religious Affairs Commissioner,

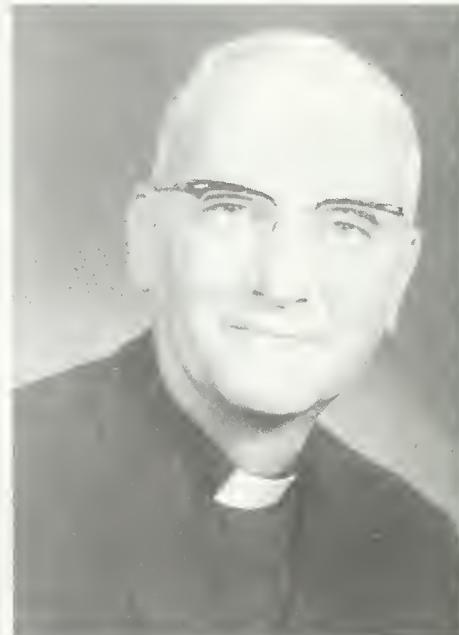

St. Michael's College Student Union

In 1987 the St. Michael's College Student Union and the St. Michael's Alumni Association jointly established a Justice and Peace Fund of five-thousand dollars. The interest from the fund is designated for bursaries to assist St. Michael's students who are planning to participate in a supervised programme in the field of social justice. A committee composed of the College Awards Officer, and two representatives of each of the Student Union and the Alumni Association reviews the applications and recommends the awardees. Janet Somerville 5T8 and Ted Schmidt 6T2 are the Alumni Board appointees to the committee, joining student representatives Emily O'Brien and Annette Donovan, and Father Norman Iversen, C.S.B., St. Michael's Awards Officer.

Christine Kim, a third year Christianity and Culture student, and Andrew Reynolds, a 1990 graduate, are the first recipients of the bursaries. Christine participated in a Toronto Archdiocese Youth Corps initiative in the Dominican Republic this past summer; Andrew is in China with a Canadian Crossroads International programme. Each of them will report on his and her experience.

Father Richard Donovan, C.S.B., Joins Staff of Alumni Development Office

Father Richard Donovan, C.S.B., 4T7 has joined the staff of the Office of Alumni and Development as Records Officer. For over two decades he was a member of the French Department, serving as Head of the department for many of those years. Many younger alumni of 1976-1989 will remember him as the Registrar. His duties in the Alumni and Development Office will include maintenance of alumni files, organization and coordination of volunteer alumni services, and assisting in the planning of reunions and other alumni events. Father Donovan's devotion to St. Michael's, his knowledge of the University, and his concern for and long association with generations of St. Michael's Students are but a few of the many valuable qualities he brings to his new position. The St. Michael's Alumni Association rejoices in his appointment and welcomes him.

Harold J. Murphy Honoured for Service to St. Michael's and Civic Community

Appointed Queen's Counsel in 1964, he is a Senior Partner in the Toronto firm of Garvey, Ferriss, serves on the boards of several Canadian corporations, is a member of the Board of Trade and President of PMD Management and Development Incorporated.

For more than four decades Harold Murphy has been a significant force in the life of St. Michael's. He assisted in revitalizing the College's Alumni Association, serving on its Board for several years and also as its President. With his lifelong friend the late Father John Kelly, C.S.B., he was instrumental in developing the St. Michael's College Foundation, which has provided scholarship and bursary support to hundreds of St. Michael's students; he is at present Vice-President of the Foundation. The success of St. Michael's Capital Campaign to date, as well as the success of our annual fundraising efforts through the Varsity Fund (now the Annual Fund) are to no small degree owing to Mr. Murphy's generosity with his talent, time, experience and substantial financial assistance.

The Catholic Childrens' Aid Society of Metropolitan Toronto has long benefited from his volunteer service, including a term as its President. He has

helped provide work for the unemployed, aided the work of evangelization and catechesis of the French Foreign Mission Society of Paris, France as a member of its Board of Directors, and is one of three founding members of the Loyola-Airupé complex, a joint project of lay people and the Jesuit Fathers being developed in Toronto to provide housing, health care and a social centre for senior citizens.

The Alumni Association gladly and gratefully joins in this acknowledgement of Harold Murphy's contribution to St. Michael's and to our society and congratulates him on his reception of this well-deserved honour.

Harold J. Murphy listens to citation recommending him as Honourary University Fellow at Baccalaureate Mass.

Alumni Annual Retreat Day

By John ST3 and
Mary Alice Ann Consitt

The second annual St. Michael's Alumni Retreat was held at the College on Saturday 19 May.

To those of us who graduated perhaps twenty, perhaps forty or even close to sixty years ago, it was indeed a thrilling experience to once again find shelter and guidance within those hallowed walls. There, for a few hours, we

contemplated in prayerful reflection our struggles in developing our careers, in originating and bringing up our families, and in coping with the life and death situations each of us must face from time to time. Gradually Christ's presence amongst and within us became clearer and clearer.

The Retreat was conducted by Father Dan Donovan in his own eloquent and often humorous manner. Each retreatant was assigned a room in the Elmsley Hall residence for private meditation and reading. Our host, Father Robert Madden, personally escorted us there and made sure all our comforts were met. Several of the staff of St. Michael's were available for private consultation and direction. The Retreat concluded with Mass at 5:00 P.M. in the chapel of Elmsley Hall followed by dinner which was a gala affair in one of the smaller conference rooms of the Brennan Hall complex.

Thank you, Father Dan Donovan, for sharing with us your special insights into the Church and the Eucharist. A special bouquet to Father Robert Madden for his jovial hospitality which certainly would have put him in line for a bishopric in the early Church. Hats off to the coordinators of the day, Marcella Tanzola, Susan Tomenson and Anita Dignan for a job well done.

Fellow Alumni, prepare to attend this unique event next year—you will not regret it.

Capital Campaign Director Appointed Director of Development

Maude McCarty, Director of the St. Michael's Capital Campaign, has been appointed Director of Development for the University of St. Michael's College.

Ms. McCarty, while working in close cooperation with the Department of Alumni Affairs, will be responsible for planning, organizing and directing University of St. Michael's College fundraising campaigns, special events, and submissions to corporations and charitable foundations. The development of various planned giving programmes will also be under her direction.

The Capital Campaign made clear the College's need for a full time Director of Development. The experience, energy, professionalism and dedication that Ms. McCarty brought to her position as Director of that successful campaign will now be extended to the

broader areas of development work. St. Michael's is fortunate in her new appointment.

Steve Monte, 9T0—Principal's Medal Winner

By Principal William Dunphy

In 1978, the family of former Principal L. E. Lynch established an annual award to be given each year to that graduating student who had best exemplified the very spirit or ethos of St. Michael's College. The award is in the form of a large, solid silver medal, designed by one of the world's best known medalists, Canada's Dora de Pedrey Hunt.

While the Principal actually chooses the recipient of this special award, it is only after consultation with an advisory committee sufficiently representative in character to assess various candidates' academic record and activities in the spiritual, social, athletic and political arenas of college and university life. In the eight years that it has been my privilege as Principal to exercise this choice, the awardee has usually been a student who lived in residence for the simple and obvious reason that resident students have more time and opportunity to devote to college life than the so-called 'day students,' who are forced to commute twice a day to and from their off-campus homes. This year, for the second year in a row, the Principal's Medal was awarded to a day student, Steve Monte, whose record of achievement was outstanding in all of the categories represented in this award: scholastic, athletic, spiritual, political and social. What is especially noteworthy, is that the award winner was in a degree programme whose course requirements were very demanding and mostly away from our campus; most students in that situation are strangers to their own college.

Steve came to St. Michael's as an Ontario Scholar from St. Michael's College School; his 92.5% average was enough to win him the Father T.P. McLaughlin admissions scholarship.

It did not take him long to begin his total involvement at St. Michael's. You don't get elected to be President of the students' government by being aloof. He was elected to the St. Michael's College Student Union and Religious Affairs Commission and helped lead its spirited Double Blue Commission.

His athletic involvement went beyond his committed service to our women's intramural programme where he coached a soccer team. He

Principal's Medal Winner Steve Monte congratulated by St. Michael's Principal William Dunphy.

set a blistering pace behind the blue-line for this college's 'A' Men's Hockey Team. Always on the lookout to find ways to utilize his spare time, Steve was involved in Food Bank drives, and was a faithful volunteer for Meals on Wheels. Steve also found time to grind out a four-year cumulative Grade Point Average sufficient to graduate "with distinction."

Steve Monte has been just that sort of "all-round" student that Principal Lynch had in mind when he set the criteria for this medal typifying the very *ethos* of St. Michael's College.

Steve is pursuing a career in finance with Price Waterhouse and has been elected to the Board of Directors of the St. Michael's Alumni Association.
